

## **Engineers Nova Scotia Techsploration Engineering Scholarship**

### **A. Purpose**

A scholarship has been created by Engineers Nova Scotia to be provided to a young woman pursuing an Engineering Degree (B.Eng. or B.A.Sc.) in Canada. Preference will be given to Techsploration alumnae and students graduating from a high school with the Techsploration program in Nova Scotia and attending a Nova Scotia-based University.

### **B. Funding**

- The scholarship has been funded by Engineers Nova Scotia.
- One non-renewable scholarship of \$1,000 will be awarded annually.
- Applications will be accepted until May 15, 2019 for the 2019-2020 school year.
- The total amount of the scholarship will be paid in full to the student recipient. Engineers Nova Scotia will undertake the administration and stewardship of the funds.

### **C. Award Criteria**

The recipients must meet the following criteria:

- Must self-identify as female.
- Must be registered in an Engineering program (B.Eng. or B.A.Sc.) in Canada (preference for those attending a Nova Scotia-based university).
- Demonstrated commitment to creating a better world through support of their local or global community.
- Preference will be given to Techsploration Alumnae and graduates of Techsploration High Schools in Nova Scotia.

#### **D. Selection Process**

Applicants must write a one to two-page essay and attach to her application (please fill out the form on the following page). The successful applicant must be willing to read her essay at a Techsploration Event. The essay will include, but not be limited to the following information:

- Describe the impact that Techsploration (role models, the overall experience, etc.) has had on you and the potential area of study you hope to pursue.
- Describe any community, volunteer, leadership or employment activities in which you might be involved.
- Describe what made you choose the engineering program for which you have been accepted and in what area of study you might have an interest and why.

## **Engineers Nova Scotia Techsploration Engineering Scholarship**

Include this completed application form, a copy of your essay, a letter from the Registrar confirming your enrolment in an engineering program (B.Eng. or B.A.Sc. eligible), and a transcript of your academic record within your application package. This information must be received by May 15, 2019.
